No. 97-0001 -MIS-FLM

ORDER AMENDING LOCAL RULES  
TO COMPLY WITH NATIONWIDE UNIFORM NUMBERING SYSTEM

Pursuant to the provisions of F.R.B.P. 9029, the Judicial Conference of the United States has prescribed a nationwide uniform numbering system for local rules. The Advisory Committee on Bankruptcy Rules of the Committee on Rules of Practice and Procedure of the Judicial Conference of the United States has suggested and approved a numbering system for local bankruptcy rules meeting the Judicial Conference's mandate. This court is required, therefore, to renumber its Local Rules, and it appears advisable to utilize the system recommended by the Advisory Committee on Bankruptcy Rules. Upon thorough consideration, therefore, the Court adopts the renumbered local rules as follows:

1. Amendment. The present text of the Court's local rules is deleted in its entirety and the new text attached to this order as Exhibit A is adopted.

2. Effective Date. These amendments are preliminarily adopted to govern all cases and proceedings commenced on and after April 15, 1997, and insofar as practicable, all cases and proceedings then pending. Unless substantively changed by order of the Court after review of

comments from the public and the bar, these amendments will be finally effective on June 15, 1997, without further notice or order.

3. Public notice and comment. The Clerk is directed to provide appropriate public notice pursuant to the provisions of F.R.B.P. 9029 and F.R.Civ.P. 83 and to solicit comments and suggestions from the public and members of The Florida Bar. The deadline for such comments and suggestions shall be June 1, 1997. The Court will consider all comments received and make appropriate changes, if any are necessary, before the final effective date of the amendments.

DONE and ORDERED upon the vote of all of the judges in Tampa, Florida, this 7th day of April, 1997.

For the Court:

  
ALEXANDER L. PASKAY  
Chief United States Bankruptcy Judge
